☆ Greetings from the author ☆

Hello everyone, nice to meet you I'm Yuzuki Jiro
Becoming a mangaka has always been my dream.
Now my manga is published and it makes me so~ happy.
Actually my goals as a child were to become the mayor, a comedian and
a mangaka. But so far I've only achieved 1 goal.
The reason why I wanted to become a mayor was that, simply put,
I wanted to be on the campaign poster.
(In the eyes of a child, the man of tomorrow had a certain glow)
"Comedian," ever since I was little I would grab people around me and
(forcefully) act out skits with them.
At that time I really believed I had what it takes to be a comedian.
"Nothing in the world can stop me," I once thought.
My third year classmate high, we were to speak about our future
goals. So I immediately replied, "A comedian." The entire class exploded in
laughter.
Especially the teacher... um, well, I was serious. Seriously hurt.
My teacher had raised my dream.
It's all the teacher's fault! *crying and running away*

What is all this for anyway, this isn't a greeting

I'VE HAD A
CRUSH ON
YOU EVER
SINCE SCHOOL
BEGAN.

KOBAYASHI
TAICHI-SAN!

PLEASE
GO OUT
WITH
ME!

SURE.

MY FIRST
BOYFRIEND,
MY FIRST
DATE.

EVERYTHING
IS A FIRST
FOR ME.

WE'VE
...

BEEN
TOGETHER
FOR
ALMOST
A MONTH
NOW?

OH,
LORD!

THANK YOU
FOR
GRANTING
ME SUCH
HAPPINESS.

STOP-
STOP IT.

WHAT
DO YOU
GUYS
MEAN?

ACTUALLY

MAYBE
SOMETHING
HAPPENED
BETWEEN
HER AND
KOSHYASHI

SAY,
NATSU,

WHAT
ARE YOU
SECRETLY
GIGGLING
ABOUT?

THE
FIRST
KISS.

SO YOU
GUYS
FINALLY
DID IT.

IN
OTHER
WORDS,
THERE'S
GOTTA
BE A
PROBLEM

THEY'VE
DATED FOR
A MONTH
AND HAVEN'T
KISSED. THEY
CAN'T REALLY
BE CALLED A
COUPLE.

NO
WAY!

K-

OF COURSE
I WANT TO

I'VE HEARD
STORIES
THAT THINGS
WILL CHOOSE
WHO OWNS
THEM.

YOU
GUESS
FOR A
MOMENT

DO
FORGET IT.

THIS IS REALLY
EXPENSIVE.

I'M PRETTY
SURE...

THAT THIS

FATED TO
BELONG TO

MY EYES WERE
ALWAYS FOLLOWING

WHEN
NATSUKI-CHAN
CONFERRED
TO ME.

WHEN I WAS
NATSUKI-CHAN
IN THE JHS
SCHOOL
OPENING
DISCUSSING.

I FELT THAT
IT WASN'T BAD
WITH THE WORK
OF DESTINY...

THAT'S
ALMOST
SOLVED
BY JUP.

I WAS SO

THIS TIME
THE STAGE

SPEAKING OF THE

ABOUT.

DO YOU HAVE
ANY IDEA HOW

THIS TRIP?

TAKAHASHI AND

I'm incredibly worried.

TAICHI!

YOU GOTTA BE CAREFUL!
AND, WHEN HE SLIPS
YOU A DRINK THAT'S
BEEN ORDERED, DON'T DRINK IF
HE WANTS TO DRAG YOU.
FIDDLE YOUR
BODY TO HIS HEART'S

TAKE PICTURES OF
YOUR NAKED BODY AND
BLACKMAIL HIM WITH IT.

LISTEN TO ME
VERY CAREFULLY!
WHEN YOU'RE
ALONE IN THE
SAME ROOM
WITH HIM, NEVER

THE STORY OF "TIPS HE SAID" (REALLY LONG, SAFE TO IGNORE)

This is actually written in English*, This is my first series**, congrats to myself
But luckily there are only 2 parts

If there were 4, I'm pretty sure that I'd die

It is enough to drive me to the edge of insanity

Drawing the same characters over and over again is really irritating

If there is anything that I enjoyed about the series, it has to be Hanamura-sensei

Also Chibukou (Shinobu-kun, who made a brief appearance in chapter 2

I didn't spend very much time creating these characters,

Hanamura-sensei I created without much care

His favorite song is 'Like A Virgin' by Madonna,

and he always enter the bathroom back-first. Absolutely meaningless things

As well, he considers himself as the lead character,

and believed that he should be on the very front on the first page of chapter 2

(where Matsui is)

Haha, he's really cute. (The dumb parent***)

Will a kind person please photocopy and enlarge a picture of Hanamura-sensei,

and paste it over Matsui.

Next, a little bit about Taichi.

When Matsui touched Taichi's crotch in chapter 3,

my friend asked me -- "why is Taichi so sensitive

when he's not supposed to have any experience at all?"

Haha... a really good question...

I've only thought about it carefully after being asked

in chapter 1 (page 11), didn't Taichi say he has been

kissed by neighbours?

Because Taichi is way too adorable

there wasn't just a kiss --

I should say that people were toying around with him

in a jokingly manner, but he himself didn't

know what any of it means, which is a good thing

Even though it didn't go as far as Taichi

losing virginity, he's not really a virgin anymore

The incredibly long title continues...

Continued on next page

Before he knew it, Tatsuki developed concussive spots all over his body, which is why he reacted that way when Matsui only touched him slightly - One more thing to say.

(My friend thought this up) Tatsuki has really dumb brother who is much older than him.

(He has many unstable relationships, but his real target is his brother... (laughs))

Tatsuki's complete self-confidence seems to be a good thing - but is it really?!

I have the exact same mindset.

The talk about Tatsuki always seems to tip towards the perverted side,

so, let's talk about Matsui now.

I think I actually like silly girls like Matsui, who acts on their inner desire.

Girls should be determined like her.

Also, throughout chapter 2, it seems as if Matsui's hair isn't consistently tied up. She was mostly likely affected by her anxious mood, consistently forgetting things. Nevertheless they finally kissed - which is really wonderful.

But according to Matsui's personality, a few days later she'll pull Tatsuki aside, and ask, "why won't you have sex with me?"

That'd be so cool! (laughs, Matsui) And Tatsuki, at least try to resist a little bit!

But, on the cover, they look more like a boss and his secretary

than an actual couple.

Customer: "Well, how about two to a team?"

"Wow, boss, you have a really big belly." ^ ^

(Not funny at all)

Finally, a word about 'Cherry Kiss'.

This is... (speechless)

a year and a half old.

Please read it slow with your stapler.

It's really embarrassing having to show this manga...

poor me...

the anxious me...

When I read it over again, I thought,

"Is this a story about the first kiss?"

Please also think that way when you read it.
